

# **Robin's Song**

**(By Michael Perry (3/8/2008))**

I'm sitting here now, thinking of you  
as I write down the words to this song, for so long  
wearing my feelings on my sleeve  
committing what my hearts always known

For all my life I felt so consumed  
in a sea storm dragging me down  
as soon as I saw you that's when I knew  
up from despair, pulling me through

From the feeling of peace  
I've now found in your embrace  
to your comforting smile  
that has never once let me down

Just wanted to tell you, from the bottom of my heart  
you mean everything to me  
our love we share, builds us up  
so nothing, no nothing will ever tear us apart

When I look in your eyes  
searching deep in your soul  
I see the warmth of your face  
that always stood out from the crowd

From the lingering of every kiss, against my lips  
or the way your soft breathing, lulls me to sleep  
with the comfort of your body lying next to me  
my emotions for you will always run deep

Just wanted to tell you, from the bottom of my heart  
you mean everything to me  
our love we share, builds us up  
so nothing, no nothing will ever tear us apart
